YOUTH SWIM CLASSES

Itty Bitty Swim for Parent & Me

Non potty trained children must wear a swim diaper. This class helps children become comfortable in the water as they develop a readiness to swim. Parents and instructors work together to help children adjust to the water. This program is not designed to teach children to become accomplished swimmers, but to provide information and techniques for parents to orient their children to the water, and to learn how to safely supervise their water activities. Each child must be accompanied into the water by a parent or other responsible adult. All non-participants must observe from the observation deck or picnic area.
